We would really like to move forward on the Ex. 5 Deliberative Process (DP) briefing separate from the FRN given state interest in sending us the package this summer and also in the context of the options selection.

Ok,

Mindy, we may need to revise the timing of the meeting for Dave in the request when Brian sends it forward. Let me know if you need me to push the request to John as Brian is out.

Thanks—Holding, but probably will not send these to Dave until the ESA FRN is ready.
Copying Mindy in case she hears from Dave that these need to go Thursday or Friday next week before I am back.

Hi John,
As we discussed, attached is the Ex. 5 Deliberative Process (DP) paper and draft for Dave to send to the RAs on coordinating with HQ on state assumption. We also have a meeting request to talk about the criminal enforcement issue, and need to hunt it down so it can move through the electronic system.

We'll talk more tomorrow about the FRN.

thanks
